**Tinton Falls, NJ (February 12, 2019) – Two River Bancorp** (Nasdaq: TRCB) (the "Company"), the parent company of **Two River Community Bank ("the Bank")**, has announced that Chairman, President and Chief Executive Officer William D. Moss was named Volunteer of the Year at the Eastern Monmouth Area Chamber of Commerce 27<sup>th</sup> Annual Spinnaker Awards on January 30, 2019. The Volunteer of the Year Award recognizes above-and-beyond service and dedication by an individual who provides exemplary service to the community.

"Thank you to the Eastern Monmouth Area Chamber of Commerce for this honor, and for everything the Chamber does to help business do business in our community," shared Moss. "Volunteerism has been an important part of my development – both personally and professionally. Connecting with those in need in our community is a humbling experience. It reminds you about what is really important in life. It keeps you focused on the big picture – using every day to build a stronger community and safer, more fulfilling lives for our neighbors and future generations."

As a fourth-generation Monmouth County resident, Moss has a deeply rooted passion for giving back to the community. This passion is one of the primary reasons he helped found Two River Community Bank in 2000 as a community-minded financial institution dedicated to the economic and social wellbeing of the communities it serves. Prior to the founding of Two River Community Bank, Bill served in various officer positions with several banks, including Midlantic National Bank and Central Jersey Bank and Trust Company. He is a 1987 graduate of the Stonier Graduate School of Banking.

Among Moss's proudest accomplishments through his distinguished career are reinvestments made in the local community. Recent highlights include cleaning the beaches of Sandy Hook with Clean Ocean Action and rebuilding a home with Coastal Habitat for Humanity. He also currently serves on the Community Advisory Board for Lunch Break and as Vice Chairman of the Board of Christian Brothers Academy. Over his 39-year banking career, he has also served on other nonprofit organization boards, including Monmouth Day Care Center and the Monmouth Conservation Foundation.

"I would be remiss in not directing most of the credit for this award to the charitable organizations that work tirelessly on behalf of those in need in our community every day," added Moss. "I've had the privilege of working alongside the staff of many of these organizations in eastern Monmouth and the surrounding areas, and I know that it can be a demanding, draining and sometimes thankless role. I'd like to extend my sincere gratitude to these incredible folks."
